# THE GREATEST SHOW

Woah x9

Ladies and gents, this is the moment you've waited for

Woah

Been searching in the dark, your sweat soaking through the floor

Woah

And buried in your bones, there's an ache that you can't ignore

Taking your breath, stealing your mind

And all that was real is left behind

Don't fight it, it's coming for you, running at ya

It's only this moment, don't care what comes after

Your fever dream, can't you see it getting closer?

Just surrender ,cause you feel the feeling taking over

It's fire, it's freedom, it's flooding open

It's a preacher in the pulpit and you'll find devotion

There's something breaking at the brick of every wall

It's holding all that you know, so tell me, do you wanna go?

Where it's covered in all the colored lights

Where the runaways are running the night

Impossible comes true, it's taking over you

Oh, this is the greatest show

We light it up, we won't come down

And the sun can't stop us now

Watching it come true, it's taking over you

Oh, this is the greatest show

Woah

Colossal we come these renegades in the ring

Woah

Where the lost get found in the crown of the circus king

Don't fight it, it's coming for you, running at ya

It's only this moment, don't care what comes after

It's blinding, outshining anything that you know

Just surrender ,cause you're calling and you wanna go

Where it's covered in all the colored lights

Where the runaways are running the night

Impossible comes true, intoxicating you

Oh, this is the greatest show

We light it up, we won't come down

And the sun can't stop us now

Watching it come true, it's taking over you

Oh, this is the greatest show

It's everything you ever want

It's everything you ever need

And it's here right in front of you (this is where you wanna be)

This is where you wanna be

It's everything you ever want

It's everything you ever need

And it's here right in front of you (this is what you wanna be)

This is where you wanna be

This is where you wanna be

When it's covered in all the colored lights

Where the runaways are runnin' the night

Impossible comes true, it's taking over you

Oh, this is the greatest show

We light it up, we won't come down

And the sun can't stop us now

Watching it come true, it's taking over you

This is the greatest show

When it's covered in all the colored lights

Where the runaways are running the night

Impossible comes true, it's taking over you

Oh, this is the greatest show

We light it up, we won't come down

And the walls can't stop us now

I'm watching it come true, it's taking over you

Oh, this is the greatest show

,Cause everything you want is right in front of you

And you see the impossible is comin' true

And the walls can't stop us (now) now, yeah

Oh, this is the greatest show x9

# A MILLION DREAMS

I close my eyes and I can see  
The world that's waiting up for me  
That I call my own  
Through the dark, through the door  
Through where no one's been before  
But it feels like home

They can say, they can say it all sounds crazy  
They can say, they can say I've lost my mind  
I don't care, I don't care, so call me crazy  
We can live in a world that we design

,Cause every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

There's a house we can build  
Every room inside is filled  
With things from far away  
The special things I compile  
Each one there to make you smile  
On a rainy day

They can say, they can say it all sounds crazy  
They can say, they can say we've lost our minds  
I don't care, I don't care if they call us crazy  
Runaway to a world that we design

Every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make

However big, however small  
Let me be part of it all  
Share your dreams with me  
You may be right, you may be wrong  
But say that you'll bring me along  
To the world you see

To the world I close my eyes to see  
I close my eyes to see  
Every night I lie in bed  
The brightest colors fill my head  
A million dreams are keeping me awake  
A million dreams, a million dreams  
I think of what the world could be  
A vision of the one I see  
A million dreams is all it's gonna take  
A million dreams for the world we're gonna make  
For the world we're gonna make

# COME ALIVE

You stumble through your days  
Got your head hung low  
Your skie's a shade of grey  
Like a zombie in a maze  
You're asleep inside  
But you can shake awake

,Cause you're just a dead man walking  
Thinking that's your only option  
But you can flip the switch and brighten up your  
darkest day  
Sun is up and the color's blinding  
Take the world and redefine it  
Leave behind your narrow mind  
You'll never be the same

Come alive, come alive  
Go and light your light  
Let it burn so bright  
Reaching up  
To the sky  
And it's open wide  
You're electrified

When the world becomes a fantasy  
And you're more than you could ever be  
,Cause you're dreaming with your eyes wide open  
And you know, you can't go back again  
To the world that you were living in  
,Cause you're dreaming with your eyes wide open  
So, come alive

I see it in your eyes  
You believe that lie  
That you need to hide your face  
Afraid to step outside  
So you lock the door  
But don't you stay that way

No more living in those shadows  
You and me, we know how that goes  
,Cause once you see it, oh, you'll never, never be  
the same  
We will be the light that's turning  
Bottle up but keep on shining  
You can prove there's more to you  
You cannot be afraid

Come alive, come alive  
Go and light your light  
Let it burn so bright  
Reaching up  
To the sky  
And it's open wide  
You're electrified

When the world becomes a fantasy  
And you're more than you could ever be  
,Cause you're dreaming with your eyes wide open  
And we know, we can't go back again  
To the world that we were living in  
,Cause we're dreaming with our eyes wide open  
So, come alive!

Come one! Come all!  
Come in! Come on!  
To anyone who's bursting with a dream  
Come one!  
Come all!  
You hear  
The call  
To anyone who's searching for a way to break free  
Break free!  
Break free!

When the world becomes a fantasy  
And you're more than you could ever be  
,Cause you're dreaming with your eyes wide open  
And we know, we can't go back again  
To the world that we were living in  
,Cause we're dreaming with our eyes wide open  
(hey)

When the world becomes a fantasy  
And you're more than you could ever be  
,Cause you're dreaming with your eyes wide open  
And we know, we can't go back again  
To the world that we were living in  
,Cause we're dreaming with our eyes wide open  
,Cause we're dreaming with our eyes wide open  
So come alive (come alive)

# THE OTHER SIDE

Right here, right now  
I put the offer out  
I don't want to chase you down  
I know you see it  
You run with me  
And I can cut you free  
Out of the drudgery and walls you keep in  
So trade that typical for something colorful  
And if it's crazy, live a little crazy  
You can play it sensible, a king of conventional  
Or you can risk it all and see

Don't you wanna get away from the same old part  
you gotta play  
,Cause I got what you need, so come with me and  
take the ride  
It'll take you to the other side  
,Cause you can do like you do  
Or you can do like me  
Stay in the cage, or you'll finally take the key  
Oh, damn! Suddenly you're free to fly  
It'll take you to the other side

Okay, my friend, you want to cut me in  
Well I hate to tell you, but it just won't happen  
So thanks, but no  
I think I'm good to go  
,Cause I quite enjoy the life you say I'm trapped in  
Now I admire you, and that whole show you do  
You're onto something, really it's something  
But I live among the swells, and we don't pick up  
peanut shells  
I'll have to leave that up to you

Don't you know that I'm okay with this uptown part I  
get to play  
,Cause I got what I need and I don't want to take the  
ride  
I don't need to see the other side  
So go and do like you do  
I'm good to do like me  
Ain't in a cage, so I don't need to take the key  
Oh, damn! Can't you see I'm doing fine  
I don't need to see the other side

Now is this really how you like to spend your days?  
Whiskey and misery, and parties and plays

If I were mixed up with you, I'd be the talk of the  
town  
Disgraced and disowned, another one of the  
clowns

But you would finally live a little, finally laugh a little  
Just let me give you the freedom to dream  
And it'll wake you up and cure your aching  
Take your walls and start ,em breaking  
Now that's a deal that seems worth taking  
But I guess I'll leave that up to you  
Well it's intriguing, but to go would cost me greatly  
So what percentage of the show would I be taking?

Fair enough, you'd want a piece of all the action  
I'd give you seven, we could shake and make it  
happen.

I wasn't born this morning, eighteen would be just  
fine

Why not just go ahead and ask for nickels on the  
dime

Fifteen

I'd do eight

Twelve

Maybe nine

Ten

Don't you wanna get away to a whole new part  
you're gonna play  
,Cause I got what you need, so come with me and  
take the ride  
To the other side  
So if you do like I do  
So if you do like me  
Forget the cage, ,cause we know how to make the  
key  
Oh, damn! Suddenly we're free to fly  
We're going to the other side  
So if you do like I do  
(To the other side)  
So if you do like me  
(We're going to the other side)  
,Cause if we do we're going to the other side  
We're going to the other side

# NEVER ENOUGH

I'm tryin' to hold my breath  
Let it stay this way  
Can't let this moment end  
You set off a dream in me  
Gettin' louder now  
Can you hear it echoing?  
Take my hand  
Will you share this with me?  
,Cause darling without you

All the shine of a thousand spotlights  
All the stars we steal from the night sky  
Will never be enough  
Never be enough  
Towers of gold are still too little  
These hands could hold the world but it'll  
Never be enough  
Never be enough

For me  
Never, never  
Never, never  
Never, for me  
For me  
Never enough  
Never enough  
Never enough  
For me  
For me  
For me

All the shine of a thousand spotlights  
All the stars we steal from the night sky  
Will never be enough  
Never be enough  
Towers of gold are still too little  
These hands could hold the world but it'll  
Never be enough  
Never be enough

For me  
Never, never  
Never, never  
Never, for me  
For me  
Never enough  
Never, never  
Never enough  
Never, never  
Never enough  
For me  
For me  
For me  
For me  
For me

# THIS IS ME

I am not a stranger to the dark  
Hide away, they say  
,Cause we don't want your broken parts  
I've learned to be ashamed of all my scars  
Run away, they say  
No one'll love you as you are

But I won't let them break me down to dust  
I know that there's a place for us  
For we are glorious

When the sharpest words wanna cut me down  
I'm gonna send a flood, gonna drown them out  
I am brave, I am bruised  
I am who I'm meant to be, this is me  
Look out ,cause here I come  
And I'm marching on to the beat I drum  
I'm not scared to be seen  
I make no apologies, this is me

Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

Another round of bullets hits my skin  
Well, fire away ,cause today, I won't let the shame  
sink in  
We are bursting through the barricades  
And reaching for the sun  
(We are warriors!)  
Yeah, that's what we've become  
(Yeah, that's what we've become)

Won't let them break me down to dust  
I know that there's a place for us  
For we are glorious

When the sharpest words wanna cut me down  
I'm gonna send a flood, gonna drown them out  
I am brave, I am bruised  
I am who I'm meant to be, this is me  
Look out ,cause here I come  
And I'm marching on to the beat I drum  
I'm not scared to be seen  
I make no apologies, this is me

Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh-oh  
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh  
This is me

Oh-oh-oh-oh  
And I know that I deserve your love  
Oh-oh-oh-oh  
There's nothing I'm not worthy of  
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh

When the sharpest words wanna cut me down  
I'm gonna send a flood, gonna drown them out  
This is brave, this is bruised  
This is who I'm meant to be, this is me

Look out ,cause here I come  
Look out ,cause here I come  
And I'm marching on to the beat I drum  
(Marching on, marching, marching on)  
I'm not scared to be seen  
I make no apologies, this is me

Oh-oh-oh-oh  
(When the sharpest words wanna break me down)  
(I'm gonna send a flood, gonna drown them out)  
I'm gonna send a flood, gonna drown them out  
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh, oh  
This is me

# REWRITE THE STARS

You know I want you  
It's not a secret I try to hide  
I know you want me  
So don't keep saying our hands are tied  
You claim it's not in the cards  
But fate is pulling you miles away  
And out of reach from me  
But you're here in my heart  
So who can stop me if I decide  
That you're my destiny?

What if we rewrite the stars?  
Say you were made to be mine  
Nothing could keep us apart  
You'd be the one I was meant to find  
It's up to you  
And it's up to me  
No one can say what we get to be  
So why don't we rewrite the stars?  
Maybe the world could be ours  
Tonight

You think it's easy  
You think I don't want to run to you  
But there are mountains  
And there are doors that we can't walk through  
I know you're wondering why  
Because we're able to be  
Just you and me  
Within these walls  
But when we go outside  
You're gonna wake up and see that it was hopeless  
after all

No one can rewrite the stars  
How can you say you'll be mine  
Everything keeps us apart  
And I'm not the one you were meant to find  
It's not up to you  
It's not up to me  
When everyone tells us what we can be  
How can we rewrite the stars?  
Say that the world can be ours  
Tonight

All I want is to fly with you  
All I want is to fall with you  
So just give me all of you

It feels impossible  
It's not impossible  
(Is it impossible?)  
Say that it's possible

How do we rewrite the stars?  
Say you were made to be mine?  
Nothing can keep us apart  
Cause you are the one I was meant to find  
It's up to you  
And it's up to me  
No one can say what we get to be  
Why don't we rewrite the stars?  
Changing the world to be ours

You know I want you  
It's not a secret I try to hide  
But I can't have you  
We're bound to break and  
My hands are tied

# TIGHTROPE

Some people long for a life that is simple and  
planned  
Tied with a ribbon  
Some people won't sail the sea ,cause they're safer  
on land  
To follow what's written  
But I follow you to the great unknown  
Off to where what we call our home

Hand in my hand  
And we promised to never let go  
We're walking the tightrope  
High in the sky

We can see the whole world down below  
We're walking the tightrope  
Never sure, never know how far we could fall  
But it's all an adventure  
That comes with a breathtaking view  
Walking the tightrope

With you, ooh, ooh, ooh, ooh  
With you, ooh, ooh, ooh, ooh  
With you

Mountains and valleys, and all that will come in  
between  
Desert and ocean  
You pulled me in and together we're lost in a dream  
Always in motion  
So I risk it all just to be with you  
And I risk it all for this life we chose

Hand in my hand  
And you promised to never let go  
We're walking the tightrope  
High in the sky  
We can see the whole world down below  
We're walking the tightrope  
Never sure, will you catch me if I should fall?  
Well, it's all an adventure  
That comes with a breathtaking view  
Walking the tightrope

With you, ooh, ooh, ooh, ooh  
With you, ooh, ooh, ooh, ooh  
With you  
With you, ooh, ooh, ooh, ooh  
With you, ooh, ooh, ooh

# FROM NOW ON

I saw the sun begin to dim  
And felt that winter wind blow cold  
A man learns who is there for him  
When the glitter fades and the walls won't hold

,Cause from then, rubble  
What remains  
Can only be what's true  
If all was lost  
There's more I gained  
,Cause it led me back  
To you

From now on  
These eyes will not be blinded by the lights  
From now on  
What's waited ,til tomorrow starts tonight  
Tonight

Let this promise in me start  
Like an anthem in my heart  
From now on  
From now on

I drank champagne with kings and queens  
The politicians praised my name  
But those are someone else's dreams  
The pitfalls of the man I became

For years and years  
I chased their cheers  
The crazy speed of always needing more  
But when I stop  
And see you here  
I remember who all this was for

And from now on  
These eyes will not be blinded by the lights  
From now on  
What's waited ,til tomorrow starts tonight  
It starts tonight  
And let this promise in me start  
Like an anthem in my heart  
From now on 3x

And we will come back home 2x  
Home, again!  
And we will come back home 2x  
Home, again!  
And we will come back home 2x  
Home, again!  
(From now on!)

And we will come back home 2x  
Home, again!  
And we will come back home 2x  
Home, again!

And we will come back home  
And we will come back home (Yes)  
Home, again!  
And we will come back home 2x  
Home, again!

From now on  
These eyes will not be blinded by the lights!  
From now on!  
What's waited ,til tomorrow starts tonight!  
It starts tonight!  
Let this promise in me start  
Like an anthem in my heart  
From now on 3x

And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!

And we will come back home  
And we will come back home  
Home, again  
From now on  
From now on  
Home, again, ooh, ooh  
From now on  
From now on  
Home, again
