

ABOUT US: wienXtra-medienzentrum for adults

The wienXtra medienzentrum has a lot to offer for educators who want to integrate media into their work: seminars, practice evenings, the media education course, etc. The equipment rental service and the media centre premises are available for youth work educational media projects. The media centre team provides advice and support for project planning.

The wienXtra-medienzentrum works for the City of Vienna and in close cooperation with the Department of Youth.
