

ABOUT US: wienXtra for adults

wienXtra offers educational services for adults who live and work with young people. Whether you're interested in youth work, educational play, education in leisure time, or media education – the wienXtra facilities institut für freizeitpädagogik (Institute for Education in Leisure Time), medienzentrum (media centre), and spielebox offer a varied training programme.

wienXtra works for the City of Vienna and in close cooperation with the MA 13 - Department of Youth.

wienXtra-institut für freizeitpädagogik

Youth work, leisure, extra occupational adult education, international exchange – the wienXtra-institut für freizeitpädagogik (Institute for Education in Leisure Time) covers it all. The training services cover all issues that are important for the volunteer and full-time work with children and young people for beginners, experienced Viennese youth workers, and anyone else interested.

wienXtra-medienzentrum

wienXtra-medienzentrum (media centre) has a lot to offer for educators who want to integrate media into their work: seminars, information events, and the media education course provide ideas and methods for your own practice. The media centre team assist with project planning and also help implement the project if necessary.

wienXtra-spielebox

Games are fun and promote concentration, team spirit, fine motor skills, and many other skills. At wienXtra-spielebox's exciting educational events, experts impart knowledge of educational play and show how games can be selectively used with children and young people at work or during leisure time.
