

ABOUT US: wienXtra-schulevents

wienXtra-schulevents offers free activities for Viennese school classes, thus making an important contribution to extracurricular educational work. The services are aimed at students and teachers from different types of school and academic years and are held during class time. The activities focus on music, creative endeavours, and nature education and participation, as well as various competitions for the State of Vienna.

wienXtra-schulevents works for the City of Vienna and in close cooperation with the MA 13 - Department of Youth.
