

WIENXTRA-Soundbase

The Soundbase is Vienna's contact point for young musicians and music lovers between the ages of 13 and 25. Open stages, workshops, a recording studio, rehearsal rooms, information about the music business – the Soundbase has everything a budding musician could wish for.

Do you play an instrument, listen to music or simply love music in general? Then you'll feel right at home at the Soundbase!

WIENXTRA-Soundbase cooperates closely with the City of Vienna and in particular, with its Municipal Department for Child and Youth Welfare.
