

ABOUT US: wienXtra

wienXtra is an organization for all children and young people in Vienna. Festivals, music, movies, games or media – wienXtra invites to join and shape the city. Ten facilities offer lots of information, events, educational services and advice as well as adult education programmes – inexpensive or free.

wienXtra works for the City of Vienna and in close cooperation with the Department of Youth.

wienXtra is aimed at...

- children and adolescents aged 0-26
- school classes
- adults traveling with kids in Vienna
- adults who work with children and young people: youth workers, school teachers, kindergarten teachers ...
- anyone interested in leisure, media, or educational play.

wienXtra's employees are experts when it comes to children and young people and are always in touch what the young population wants. They are well networked with other institutions of the City of Vienna and are highly dedicated to the interests of their target groups.

wienXtra stands for quality. The activities are based on well thought-out concepts and pedagogical expertise. Real-life principles in such as participation, diversity, and gender equality ensure that all people can feel at ease at and contribute to the events organised by wienXtra.

To make the activities truly accessible to everyone, they are always inexpensive or free. Because culture, education, and participation are not a privilege but a right for everyone.
