

## WIENXTRA-Schulevents

WIENXTRA-Schulevents brings the WIENXTRA expertise into the classroom! School pupils from Vienna will get to experience film adventures and media experiments, discover nature in the big city, experience what it's like to play an active part in everyday life and much more.

Everything we offer is either free of charge or extremely low-priced. As an interface for schools, the school events team coordinates the WIENXTRA service for pupils and teachers and organises some of the activities.

Schulevents cooperates closely with the City of Vienna and in particular, with its Municipal Department for Child and Youth Welfare.
